D                                G                                C

F                                                        C

I got a hot-rod Ford and a two-dollar bill

F                                                        C

And I know a spot right over the hill.

F                                                        C

There's soda pop and the dancin's free,

D                                                        G

I'm free and ready,

So we can go steady.

How's about savin' all your time for me?

No more lookin',

I know I've been tooken

How's about keepin' steady company?

I'm gonna throw my date-book over the fence

And find me one for five or ten cents.

I'll keep it 'til it's covered with age

'Cause I'm writin' your name down on every page.

Hey, good lookin',

Whatcha got cookin'?

How's about cookin' somethin' up with me?
