

# John Deere Green

[Verse 1]

**G** **G**  
They were farm kids way down in Dixie  
**C** **G**  
They met in high school in the sixties  
**G** **G** **D** **D**  
Everyone knew it was love from the start  
**G** **G**  
One July in the midnight hour  
**C** **G**  
He climbed up on the water tower  
**G** **D** **C** **D**  
Stood on the rail and painted a 10 foot heart

[Chorus]

**Em** **D** **C**  
In John Deere green  
**G** **D** **C**  
On a hot summer night  
**Em** **D** **C**  
He wrote Billy Bob loves Charlene  
**G** **D** **C**  
In letters 3 foot high  
**Em** **D**  
And the whole town said that he should have used red  
**G** **C** **C**  
But it looked good to Charlene  
**Em** **D** **G**  
In John Deere green

[Verse 2]

**G** **G**  
They settled down on 80 acres  
**C** **G**  
Raisin' sweet corn, kids and tomatoes  
**G** **G** **D**  
They went together like a hand and a glove  
**G** **G**  
On a clear day from their front yard  
**C** **G**  
If you look and know what to look for  
**G** **D** **C** **D**  
Off to the east you can still read his words of love

[Chorus]

**Em** **D** **C**  
In John Deere green  
**G** **D** **C**  
On a hot summer night

He wrote Billy Bob loves Charlene  
In letters 3 foot high

And the whole town said the boy should have used red  
But it looked good to Charlene  
In John Deere green

[Bridge]

Now more then once the town has dicovered  
Painting over it ain't no use  
There ain't no paint in the world that'll cover it  
The heart keeps showin' through

[Chorus] (key change)

In John Deere green  
On a hot summer night  
He wrote Billy Bob loves Charlene  
In letters 3 foot high  
And the whole town said that the fool should have used red  
But it looked good to Charlene  
In John Deere green

[Chorus]

In John Deere green  
On a hot summer night  
He wrote Billy Bob loves Charlene  
In letters 3 foot high  
And the whole town said that the boy should have used red  
But it looked good to Charlene  
In John Deere green
