

*Roll Me Over*

Oh, this is number one,  
And the fun has just begun.  
Roll me over, lay me down  
And do it again.

*Chorus:*

Roll me over  
In the clover,  
Roll me over, lay me down  
And do it again.

Oh, this is number two,  
And my hand is on her shoe.  
Roll me over, lay me down  
And do it again.

Oh, this is number three,  
And my hand is on her knee.  
Roll me over, lay me down  
And do it again.

Oh, this is number four,  
And I'm really hot for more.  
Roll me over, lay me down  
And do it again.

Oh, this is number five,  
And my hand is on her thigh.  
Roll me over, lay me down

And do it again.

Oh, this is number six,  
And I'm really in a fix.  
Roll me over, lay me down  
And do it again.

Oh, this is number seven,  
And I feel like I'm in heaven.  
Roll me over, lay me down  
And do it again.

Oh, this is number eight,  
And the doctor's at the gate.  
Roll me over, lay me down  
And do it again.

Oh, this is number nine,  
And the baby's doing fine.  
Roll me over, lay me down  
And do it again.

Oh, this is number ten,  
And it's time to start again.  
Roll me over, lay me down  
And do it again.
